VACCINATION SITES TO NEIGHBORHOODS
STARTING ON WEDNESDAY, MAY 12,
FROM 10 A.M. TO 5 P.M. IN IVY HILL PARK IN WEST WARD;
MAYOR BARAKA WILL ATTEND AT 10 A.M.**

First in series of pop-up vaccination sites in each ward over next several weeks

Newark, NJ – May 11, 2021—The City of Newark is bringing COVID-19 community vaccination sites to every ward across the city, for residents ages 18 years old and up, starting on **Wednesday, May 12**, from **10 a.m. to 5 p.m.**, at **Ivy Hill Park**, located in the city’s West Ward, at **155 Mt. Vernon Place**. **Mayor Baraka will attend the event at 10 a.m.**

The City of Newark is hosting these vaccination pop-up sites in the neighborhoods to create greater access and ensure equity in vaccine distribution.

The Department of Health and Community Wellness staffers will administer the vaccines. Moderna and Johnson & Johnson vaccines will be given out. Walk-ups are welcome, no registration required.

This is the first of a series of pop-up vaccination sites that will take place over the next several weeks, one in each ward.

There will be a live DJ, food distribution at 11 a.m., COVID-19 testing, and resource tables.
